

Nicole Connolly | Bio

Commercial | Editorial | Advertising | Fine Arts

Nicole Connolly brings a contemporary and elegant style to the table that is quite surprising. Some of her top qualities are her personable and honest nature, and her readiness to venture into unfamiliar territories.

With a career in online design and marketing, plus a certification from Boston University, Nicole is able to offer over 12 years of experience as a creative professional.

She was born in Southern Germany and has a great passion for automobiles, movies, and horses.

"Nicole's passion for photography is a perfect reflection of her passion for life in general."

"She is incredibly professional, extremely creative and expert in her craft. Her results are breathtaking."

"She is very personable and will go to great lengths to insure you get the product you want."
